MOEST is planning to conduct a program called “PROMOTING SCIENTIFIC LEARNING METHODS / CULTURE” by conducting different campaigns for which we are seeking fifteen (15) dynamic persons to get involved in the program voluntarily.

RESPONSIBILITIES:

- Work closely with resource persons and support program activities
- School visit, conduct awareness programs and workshops with stakeholders
- Conduct science fun activities and report writing

CRITERIA:

- Should be Nepalese citizen of above 25 years of age
- Should have at least Bachelor's degree in Science and Technology stream
- Having good communication and co-ordination skills
- Flexible to travel and adjust in dynamic environment

Interested candidates are requested to fill an application form available at www.moe.gov.np and submit with an updated CV at innovation@moest.gov.np by 18th April, 2022. Shortlisted candidates will be called for interview. The candidates must bring original documents at the interview. MOEST will organize 7-days training program for selected people. Women from deprived communities and backward classes are encouraged to apply.
